A Note from **OUR CEO** **GREG HUBERT**

Dear Brookwood Families and Friends,

"How are you settling in?" is a question that comes my way every week, and I'm excited to share that after two months at Brookwood, I couldn't be happier.

The true measure of our success lies not just in my professional role but in how well my family is adapting to this beautiful new chapter of our lives. Allow me to introduce you to the wonderful members of the Hubert household, whose resilience and joy inspire me daily.

GINA: The Heart of Our Family

First and foremost, I want to acknowledge my incredible wife, Gina. Coordinating our relocation from California to Texas was no small feat, yet she approached it with the grace and expertise of a seasoned event planner. Having moved 15 times in our marriage, Gina's experience shone through, making this move as smooth as possible.

I am deeply grateful for her unwavering support and hard work. From preparing our boys for the move to saying heartfelt farewells to our California friends and family, Gina handled every detail for making this transition a resounding success for our family.

ZACHARY: Embracing New Opportunities

Our eldest son, Zachary, continues to work remotely for Joni and Friends and has adjusted beautifully to his new surroundings. His enthusiasm is contagious, and he regularly participates in campus events alongside his brothers.

Zach has discovered a new passion for music, joining the Brookwood Handbell Ensemble, where he rehearses three times a week. This newfound joy has not only enriched his life but has also helped him build meaningful connections within our community. His willingness to embrace change is a testament to the positive environment here at Brookwood.

TYLER: Flourishing in Horticulture

Tyler, our middle son, has seamlessly transitioned into his role as a Day Citizen in Horticulture.

His passion for plants and nature is evident in everything he does. If you stroll into the shop, you might find him working alongside Robert Baugh, soaking in every lesson with eager enthusiasm.

Tyler loves to swim, go for walks, and indulge in 500-piece puzzles. Each evening, he unwinds by watching his favorite shows on his iPad. His ability to adapt and find joy in simple pleasures reminds us of the beauty of everyday moments.

TATE: A Spark of Energy and Kindness

Our youngest son, Tate, is a whirlwind of energy and determination. Like Tyler, Tate is non-verbal and finds immense joy in working hard. While Tyler enjoys downtime after work, Tate prefers to be on the move, often taking out the trash or helping to clean around campus.

His love for serving others shines through his daily acts of kindness, whether it's tidying up or simply lending a helping hand. Tate also enjoys puzzles, proving that he, too, has a knack for problem-solving and creativity. His exuberance inspires us all to give back and make a difference.

Our Furry Companions: KIMO and KOA

No family is complete without a bit of furry love! Our two dogs, Kimo and Koa, have been warmly embraced by everyone at Brookwood. Kimo, our one-year-old Sheepadoodle, and Koa, our three-year-old Bernedoodle, are often seen at Citizen events, surrounded by laughter and joy as they receive affection from everyone around them. Their presence adds an extra layer of warmth and companionship to our lives, reminding us of the joy that God brings through pets and the sense of community that thrives here.

A Heartfelt Thank You

As I reflect on my first two months, I am overwhelmed with gratitude for the welcoming spirit has made our transition to Texas not only smooth but filled with love and support. We are truly grateful to the Lord for the friendships we have begun to forge and the opportunities that lie ahead.

Our journey here is just beginning, and we look forward to many more adventures and shared experiences within this incredible God-Centered community. Thank you for embracing us with open arms. We can't wait to contribute to the vibrant tapestry of Brookwood for many years to come.

With heartfelt appreciation,

GREG HUBERT
CHIEF EXECUTIVE OFFICER

SPECIAL TEAMS FOR SPECIAL NEEDS Pep Rally: **MUSTANG CAT** Touchdowns, Cheerleaders, and \$70,000 for Brookwood

We extend our heartfelt thanks to **MUSTANG CAT**, the **HOUSTON TEXANS**, Texans cheerleaders Jennifer and Wendy, Texans Legend Cecil Shorts III, and mascot **TORO** for a pep rally that was truly something to cheer about! **THE SPECIAL TEAMS FOR SPECIAL NEEDS** Pep Rally brought an exciting game-day atmosphere to Brookwood, and the energy was contagious.

Mustang Cat's partnership with the Houston Texans for the Special Teams for Special Needs program makes Texans games meaningful for Brookwood. For every point that the Texans' Special Teams score, Mustang Cat donates \$1,000 to Brookwood!

Joining the pep rally were Houston Texans owners Cal and Hannah McNair, Mustang Cat President and CEO Sam Tucker, Mustang Cat Chairman of the Board, Brad Tucker and his wife Stephanie, and Brookwood CEO Greg Hubert and his wife Gina. The pep rally culminated in a check presentation of \$70,000, furthering Brookwood's mission and impact.

This highlights the incredible support and fellowship that continue to empower Brookwood. We are so grateful to everyone who participated, supported, and made this moment possible.

BIKE TO BROOKWOOD Crosses the Finish Line After Three Weekends

Bike to the Beach became **BIKE TO BROOKWOOD** this year, allowing more Citizens to participate and more families and friends to cheer them on. Over 60 Citizens pedaled 5, 10, 15 or 25 miles on a course created on the Brookwood campus during three October Saturdays, raising more than \$68,000 for *I Believe in Brookwood*.

The Citizen riders were sponsored by three great partners - **WALMART, PATTERSON + SHERIDAN**, and **bp**. Each Saturday dozens of volunteers from one of these companies were on campus to ride along, supply T-shirts, and bring lots of energy to the day. The riders took to the road at 10:00 and concluded with hamburgers and awards at the Brookwood Café.

Many thanks to our sponsors, and kudos to our Citizen riders for their determination to complete the course and reach their financial goal! A win-win for everyone!

CENTER FOR LEARNING hosts The Brookwood Way®

Brookwood's Stephen C. Beasley Center for Learning held its largest-ever **THE BROOKWOOD WAY® CONFERENCE** in mid-September with over 70 participants from the U.S. and two foreign countries. The conference offered a comprehensive, behind-the-scenes look at Brookwood's dynamic programs through in-depth tours and workshops including Residential and Work Programs, Admissions, Retail Operations, Human Resources and Fundraising.

The conference opened at Brookwood's Grand Parkway enterprise location to showcase how a smaller, yet vibrant, program can work. Brookwood founder, Yvonne Streit, was on hand for a Q&A session. Another standout moment was a luncheon featuring a Citizen Panel, where attendees could learn first-hand about living, working and worshipping at Brookwood.

Brookwood offers this program annually to bring together peer groups centered on working with adults with disabilities to learn, share ideas and best practices.

Community Partner Spotlights: HOWARD HUGHES HOLDINGS

Brookwood Treasures Corporate Partners

A long-time corporate partner, **HOWARD HUGHES HOLDINGS**, a real estate management and development company headquartered in The Woodlands, partners with Brookwood in several ways.

Recently over 40 volunteers came to Brookwood to power wash Citizen homes and clean out storage areas, finishing with lunch at the Brookwood Café.

Howard Hughes also donates the space for Brookwood's Holiday Pop Up Shop in The Woodlands as a delightful retail space for local shoppers. This holiday market will feature Brookwood's famous poinsettias, Citizen-made products and gift ideas galore,

plus the **HOLLY JOLLY POINSETTIA SALE** on Friday-Saturday, Nov. 22-23. We're bringing Brookwood's famous, beautiful poinsettias straight to The Woodlands for two festive days of holiday shopping. Our horticulture team has packed up the delivery van to bring you these seasonal favorites. First come, first sold—don't miss out!

Corporate partnerships are critically important to Brookwood's mission of changing the way the world thinks about adults with disabilities! Thank you!

VOLUNTEER PARTNERS Adding Value

Hammers and work gloves in hand, 25 dedicated volunteers from **TRI POINTE HOMES**, one of the nation's largest custom home builders, were recently on campus applying serious elbow grease to our gardens and green spaces! Their hard work has brought new life to our campus, allowing our Citizens and community members to enjoy a more vibrant and welcoming environment. From replanting beds to revitalizing pathways, Tri Pointe's efforts have truly helped us grow together.

The Brookwood Community is fortunate to partner with companies that share our mission to change the way the

world thinks about adults with disabilities. Corporate groups like Tri Pointe Homes play an essential role in creating a beautiful and functional space where our Citizens can thrive. Not only does their work improve our facilities, but it also inspires our Citizens, showing them that there are people in the community who genuinely care about their well-being and success.

Whether it's landscaping, renovating, or simply lending a hand wherever it's needed, the

contributions from corporate volunteer groups bring new strength to Brookwood's roots. We are beyond grateful for every hour, every ounce of effort, and every smile shared. Your support helps us cultivate a place where abilities can shine, and we're thrilled to keep growing together!

Thank you, Tri Pointe Homes, and to all the corporate groups who dedicate their time, energy, and resources to make Brookwood even better.

ENERGY TRANSFER Fires Up BBQ for Brookwood

On Saturday, October 19, **ENERGY TRANSFER** held its much-anticipated annual BBQ fundraiser, bringing together over 700 dedicated employees for a day filled with great food, friendly competition, and an inspiring commitment to The Brookwood Community!

With 13 talented cook teams serving up a whopping 28 briskets with mouthwatering sides, the event was a feast like no other. But it was more than just amazing BBQ—their annual raffle, silent auction, and live auction raised an incredible \$25,516. And in an inspiring surprise, Energy Transfer announced an additional \$25,000 gift, bringing the total donation to an outstanding \$55,516 for Austin Hanson's I Believe in Brookwood Team!

Brookwood's own Austin took the spotlight as the MC, bringing his joyful energy to the raffle. In the live auction, Joe Perez made the winning bid of \$750 to take home a beautiful painting by Austin himself—a heartfelt memento of the day's generosity and celebration.

Thank you, Energy Transfer, for supporting Brookwood and making this year's BBQ fundraiser a tremendous success!

AUSTIN HANSON and Energy Transfer: A Partnership Fueled by Art, Passion, and Purpose

Now in his 12th year at The Brookwood Community, **AUSTIN HANSON'S** joy and enthusiasm for his work are as vibrant as ever. Each day, Austin brings his trademark big smile, tie, and apron to the Brookwood Café, where he welcomes guests and brightens the day for everyone he meets. Recently, he's been adding another creative touch by painting ceramics right in the foyer, capturing the interest of visitors who witness his artistry firsthand.

Austin's connection with **ENERGY TRANSFER** has grown into an inspiring partnership over the past three years. The Energy Transfer BBQ Cookoff Leadership Team has teamed up with Austin to auction off his uniquely

expressive paintings at their annual BBQ Cookoff. This partnership has not only raised substantial funds but has also shared Austin's artistic vision with a wider audience, all while supporting Brookwood's mission.

However, Austin's true passion lies in creating artwork for the annual Brookwood Art Fest. All year long, he pours his heart into each piece, preparing for the show where his paintings quickly sell out to eager art lovers who recognize the beauty in his work. This partnership with Energy Transfer was one of Brookwood's top fundraisers in 2023, showcasing the impact that community collaboration can have.

We are deeply grateful for the ongoing support of Energy Transfer and their commitment to Team Austin. Together, we're changing lives, one brushstroke at a time.

Works of HEART

An evening of extraordinary art and artists

BENEFITING THE BROOKWOOD COMMUNITY

WORKS OF HEART Gala and Art Auction April 2, 2025

This year's gala **WORKS OF HEART**, April 2 at the Post Oak Hotel, is a must-attend event. In addition to a wonderful dinner, the gala features a Silent Auction and Live Auction of one-of-a-kind signature mixed-media art pieces created by well-known local Houston artists, and by artists working in conjunction with Brookwood Citizens. Event Chairs Kay and Howard House look forward to greeting the over 600 expected guests with a fundraising goal of \$1M for Brookwood operations and expansion projects. Many thanks to Honorary Chairs Mary and Bill Flores and Jimmy Carrabba, Honorary Citizen Chair Diane Phillips, and Art Committee Chair Belinda Hillhouse.

Brookwood is also seeking non-art donations for the auction – maybe you have tickets to a special sporting event, a vacation space, dinner for a large group – wonderful “experience” donations that bidders would enjoy.

Reservations are open now for Host Committee Tables, and Brookwood is accepting donations from those who can't attend. **VISIT [HTTPS://BIT.LY/WORKSOFHEART2025](https://bit.ly/worksofheart2025)**. For more information, contact Brookwood's Event Manager Aimee Pickett at AimeeP@BrookwoodCommunity.org.

Honoring Brookwood's Legacy of Compassion and Care with **NEW DEDICATIONS**

We are thrilled to announce the dedication of two special spaces on the Brookwood campus: the **KLEINWORTH FAMILY GUEST SUITE** and the **HARRISON DENTAL ROOM**, each created in the spirit of love,

compassion, and community.

The Kleinworth Family Guest Suite was inspired by **CAROL** and **TOM KLEINWORTH'S** family experience during their brother Joe's end-of-life journey at Brookwood. Recognizing the importance of comfort and support for families during challenging times, the Kleinworth family made a gift to create a serene space where Citizen families can stay when they need to be close to their loved ones, whether during illness or other significant moments. Named in memory of **CITIZEN JOE KLEINWORTH**, this suite reflects the family's desire to make an ongoing difference in the lives of other Brookwood families.

In addition, the Kleinworth family wanted to honor **DR. TOMMY HARRISON**, Brookwood's first and ongoing on-site dental practitioner, who has been an instrumental figure in Citizen care. Dr. Harrison not only provides compassionate dental care but also introduced a program for dental students to gain experience in treating adults with disabilities, establishing a legacy of education and empathy for future practitioners. Citizen Joe Kleinworth, known as the “Mayor of Brookwood,” had a deep appreciation for Dr. Harrison, making this dedication especially meaningful. The newly named Harrison Dental Room is a tribute to Dr. Harrison's long-term commitment and vision for improved dental care for adults with disabilities.

These dedications celebrate Brookwood's commitment to compassionate care, honoring both the Kleinworth family's lasting legacy and Dr. Harrison's visionary contributions to the well-being of our Citizens. We are grateful for their generosity and the profound impact they have had on the Brookwood Community.

CELEBRATING 40 Years of Giving: Brookwood's Golf Marathon Tradition Continues

The **HOUSTON INVITATIONAL GOLF MARATHON** has been a key fundraiser for Brookwood since it began 40 years ago, with golfers rallying to raise funds by securing sponsors per hole. From dawn-to-dusk marathons, where players like Mike Christman set records with 360 holes in one day, to holding hot potatoes for warmth, the tradition has always had a spirit of dedication and camaraderie.

This November, to mark 40 incredible years, Brookwood hosted a special reunion event at The Brookwood Café, welcoming

30 golfers, Hall of Fame members, and friends who have contributed to over \$20M raised since 1985. Special thanks to **RAY DAUGBJERG**, **SYLVIA PATTON**, and countless others whose dedication has made a lasting impact on Brookwood.

HALLOWEEN PUMPKIN CONTEST, COSTUMES and FUN FOR ALL

Halloween at Brookwood was bursting with festive fun this year! Design studios pulled out all the stops in a pumpkin decorating contest, displaying everything from spooky faces to quirky characters. The competition was tight, but Ceramic Studio's Astros pumpkin took first place, followed by Stone Cast's Phantom of the Opera theme in second. Third place was a tie between Finishing Studio's Nemo pumpkin and Transition's Nightmare Before Christmas design!

Our Citizens also transformed into their favorite Halloween characters for a costume parade, where superheroes, butterflies, and friendly monsters stole the show. The day wasn't complete without a visit to our fun-themed haunted cafeteria, where everyone enjoyed just the right mix of thrills and giggles.

From pumpkins to parades, Halloween at Brookwood brought joy to everyone!

BROOKWOOD CAR SHOW FUNDRAISER: Classic Cars, Community, and a Special Parade!

On Saturday, October 26, **THE BROOKWOOD COMMUNITY CAR SHOW FUNDRAISER**, organized by Jeremy Weisinger's family, brought the excitement of classic cars to campus! Jeremy, a Brookwood Day Citizen for 17 years, is known for his friendly spirit and love of cars, making this event especially meaningful. Over 100 jaw-dropping classic cars competed for prizes like the Gordon L. Bisel Best Corvette Award, the Citizen Favorites Award, and the Best of Show Trophy across categories from '50s classics to sports cars and hot rods.

In a heartwarming touch, the cars graciously paraded through Citizen homes, bringing the thrill right to our Citizens' doors. Fans and spectators enjoyed the incredible show and savored treats from The Brookwood Café, making it a day filled with fun, community spirit, and unforgettable moments.

Thank you to Jeremy's family and all who participated in making this day a success!
