

THE BROOKWOOD COMMUNITY™

SPRING 2026

Changing the way
the world thinks about
adults with disabilities

A Note from Greg Hubert, CEO

“Trust in the Lord with all your heart and do not lean on your own understanding; in all your ways acknowledge him, and he will direct your paths.” – Proverbs 3:5-6

Dear Brookwood® Families and Friends,

What God began through founder Yvonne Streit over 45 years ago, He faithfully grew through her daughter Vivian Shudde’s leadership. That same God has placed this baton in my hands—to preserve, strengthen, and lead with excellence for generations to come. As I walk this campus each week, I am in awe of what He has built here and humbled by the trust placed in me to steward the lives of Citizens and Community Members. I see His faithfulness in the pride on Citizens’ faces, in the dedication of Community Members, generous donors, and faithful volunteers and families. To God be the glory.

Over the past year, we have focused on the **Preserve–Strengthen–Lead** initiative, reaffirming our commitment to protecting what makes Brookwood special while preparing for the future. That work continues to guide us. As we step into 2026, we are building on that foundation with a renewed focus through three priorities: **Steward our People, Optimize our Operations, and pursue Wisdom for Tomorrow.** These priorities remind us that stewardship and planning are essential as we continue to grow and serve.

Stewarding Our People: At the heart of Brookwood are individuals who bring our mission to life each day. Citizens, Community Members, volunteers, and families form a community built on respect, dignity, and shared purpose. Stewardship means investing in the people who make this mission possible. Through generous donations, we have expanded opportunities for leadership development and learning experiences for Community Members. These efforts include leadership training and participation in the Center for Learning—The Brookwood Way conference. By strengthening our people, we ensure Brookwood’s culture, grounded in compassion, excellence, and faith, continues to thrive.

Optimizing Our Operations: Just as we have committed to preserving Brookwood’s

culture and strengthening our foundation, we must continually improve systems that support our work. Optimizing operations means examining how we use time, talents, and resources across Enterprises and knowledge management systems. Through planning and innovation, we are identifying ways to work efficiently while maintaining the mission-driven environment that defines Brookwood. These improvements allow us to better serve Citizens while ensuring the sustainability and vitality of our programs.

Wisdom for Tomorrow: As stewards of this extraordinary community, we are called not only to meet today’s needs but also to prepare for the future. Our long-term master planning process will guide Brookwood’s development over the next fifteen to twenty years. Through planning, prayerful discernment, and collaboration, we will seek wisdom as we consider how Brookwood can grow its impact across Texas, the United States, and beyond. The values that define us—purposeful work, meaningful relationships, and unwavering dignity—will guide every step forward.

Brookwood has always been a place where faith, purpose, and community converge by the grace of God. He who began this good work will carry it to completion—and it is to Him that we look as we move forward with confidence and humility. Together, we will preserve what makes Brookwood extraordinary, strengthen what sustains our mission, and steward the future He has entrusted to us. Soli Deo Gloria.

With heartfelt appreciation,

Greg Hubert

Make your reservation today!

Houston Livestock Show & Rodeo and Brookwood: Rooted in Purpose and Style

Each spring, the **Houston Livestock Show and Rodeo™** (HLSR) brings together boots, barbecue, and big-hearted Texans, and for the past 14 years it has also strengthened a meaningful partnership with Brookwood.

What began as a shared commitment to community has grown into a cherished annual tradition. For the tenth year, the **Brookwood Rodeo Fashion Show and Luncheon** kicked off rodeo season in style. More than a celebration of fringe, denim, and rhinestones, this event highlights purpose and partnership, featuring Citizens modeling alongside dedicated HLSR volunteers and committee members.

This year marked an exciting milestone. For the first time in the event's history, the original Fashion Show and Luncheon sold out in just 72 hours—a testament to the enthusiasm and support surrounding this special day. In response, a second show was added, doubling the number of Citizen models who took the runway and creating even more opportunities to celebrate their talents. The result was our most successful Fashion Show day ever.

This year's event was expertly hosted by wardrobe consultant **Rebecca Matthews**. A distinguished group of Rodeo leaders joined Citizens on stage, including **Kristie L. Manning**, HLSR Vice President; **Amy Pinkham Miller**, HLSR Vice President; **Aimee Coates Monteverde**, HLSR Vice President; and **Fran Rich**, past chairman of the Houston Metro Go Texan Committee. They were joined by **Gina Hubert**, mother of Brookwood Citizens. Together, they exemplified servant leadership in action.

A highlight of the season was the debut of the limited-edition **2026 Rodeo Mug**, the first in a new annual tradition. Designed by Citizens and selected by the **School Art Committee** in partnership with HLSR leadership, each mug reflects creativity, craftsmanship, and meaningful collaboration. With more than 200 sold at the RodeoHouston booth, this inaugural piece was met with an enthusiastic response.

Each year, Brookwood is honored with a donated booth at the RodeoHouston Market. Over three weeks, thousands of visitors discover handcrafted products made by Citizens—from ceramics and candles to jewelry and more.

To the Rodeo volunteers, models, and all who support this partnership—thank you for helping us change the way the world thinks about adults with disabilities.

2026 Brookwood Benefit Lunch: Building Bright Futures

On April 1, 2026, Brookwood welcomed 128 sponsors and nearly 830 guests to the **2026 Brookwood Benefit Lunch, Building Bright Futures**, at the Post Oak Hotel at Uptown Houston, a meaningful afternoon centered on purpose, community, and impact.

Guests gathered in strong support of Citizens, with the event raising \$1,252,191 to fund vital programs and services. A highlight of the lunch was the Best Bid, where 55 generous donations for an art piece inspired by the stained glass in Brookwood's Worship Center by Citizen artist **Hillary Kern**, in collaboration with artist **Kim Granhaug**, helped raise \$144,378 for Citizen scholarships.

The program featured a moving keynote from **Katherine Wolf**, bestselling author and co-founder of Hope Heals, who shared, "We need to disrupt the myth that joy is only available in a pain-free life. There is always collateral damage from the bad stuff. But, dare I say, there are also collateral blessings." Her message underscored the value and dignity of every life.

Brad and Stephanie Tucker were honored with the **Vicki Streit Inspiration Award**, recognizing their dedication to Brookwood and the greater Houston area. Their story reflects the connection and commitment that defines The Brookwood Community.

Funds raised from the lunch help sustain daily operations and support more than \$1.8 million in Citizen scholarships provided each year, ensuring that Citizens continue to experience meaningful work, belonging, and purpose.

The event was led by Co-Chairs **Melissa and Jacob Robinson, Kim and Ben Tucker**, and **Amanda and Sam Tucker**, with Citizen **Frank Tucker** serving as Honorary Chair which added a special significance to the day.

We extend sincere thanks to all who participated in making this event a success and helping build bright futures for Citizens.

Where Ben Belongs: The Power of a Scholarship in Shaping Purpose, Friendship, and Growth

For **Ben Rodriguez**, a scholarship opened the door to something truly life-changing. Without it, the 25-year-old Houston native would not be able to attend The Brookwood Community as a Day Citizen—and for those who know Ben, that is simply unimaginable.

Each morning, Ben catches the bus on South Fry Road and arrives at Brookwood ready to embrace the day.

Early on, he discovered his place in the Plant Shop and the Movers, where he works carefully transporting plants to one of the campus's 50 greenhouses. With thoughtful

attention, he ensures every bloom is healthy and exactly where

it belongs—reflecting the same sense of purpose he has found.

The scholarship has provided far more than access to a program. It has nurtured a deep sense of purpose, meaningful friendships, and growing confidence that his father, **Chris Rodriguez**, sees in him every day. Ben enjoys dancing, music, writing, and soccer, and is a proud member of the Everybody Belongs Club—a name that perfectly captures his spirit. Known for his kind and empathetic heart, Ben looks out for fellow Citizens and, no matter how long or warm the day, greets his father with a smile and the same reassuring words: “I had a good day and everyone got along.”

Chris has watched his son flourish at Brookwood in ways that are difficult to put into words. “It has given Ben such purpose,” he shared. “A place to be with his peers. If it wasn’t for that scholarship, I don’t know where Ben would be.”

For Ben, Brookwood is more than a place. It is community, joy, and a space where he can grow into all he is meant to be.

Energy Transfer Ignites Impact with Generous Gift

At Brookwood, partnerships are more than support, they are relationships that bring our mission to life in meaningful and lasting ways. One shining example of this is our incredible partnership with **Energy Transfer** through their support of **Austin Hanson’s I Believe in Brookwood** fundraising team.

Each year, Energy Transfer goes above and beyond by hosting a spirited, company BBQ Cookoff, an event that brings employees together in a celebration of teamwork, creativity, and generosity. Teams pour their hearts into perfecting recipes and competing for coveted awards, but the true impact goes far beyond the trophies.

Alongside the cookoff, Energy Transfer organizes a large-scale company raffle, featuring exciting, high-value prizes. What makes this effort so special is that every dollar raised through the raffle directly supports Austin’s fundraising team, contributing to the life-changing programs and opportunities that define the Brookwood experience.

Pictured here is the incredible \$31,500 that Energy Transfer proudly presented to us following this year’s event, a powerful testament to their generosity and commitment to our mission.

This partnership beautifully illustrates how corporate involvement can make a tangible difference. By engaging employees in a fun, purpose-driven event, Energy Transfer fosters a culture of giving while strengthening connections within their own organization and the broader community. It’s a powerful reminder that when businesses invest in people and purpose, the reach is immeasurable.

We are deeply grateful for partners like Energy Transfer who not only believe in our mission but actively champion it in creative and impactful ways. Their

commitment inspires us—and we hope it inspires others as well.

If your company is looking for a meaningful way to engage employees, give back to the community, and be part of something truly special, we invite you to join us. Partnerships like this are not only significant, but they are also unforgettable.

To learn more about how your organization can get involved with The Brookwood Community, please contact **Letty Lagos** at 281-236-6081 or LettyL@BrookwoodCommunity.org. Together, we can create opportunities, build community, and transform lives.

Preserve, Strengthen, Lead: Building Brookwood's Future

Since 1983, Brookwood has been more than a place, it has been a promise. A promise grounded in faith, love, and the belief that every adult with a developmental disability is wonderfully made with purpose.

Today, that promise continues through the **Preserve, Strengthen, Lead Campaign**, helping us grow, improve, and prepare for the future with hope and intention. Thanks to the generosity of so many supporters, we have raised \$30 million and are seeing meaningful progress across campus.

New Homes: The Feigin and Philip's Homes One of the most exciting parts of this journey is the construction of The Feigin and Philip's Homes. What began as a dream is now becoming a reality right before our eyes. As you drive onto campus, you can see the homes taking shape. Walls are rising, windows are shining, and spaces are coming together that will soon be filled with life and love.

Renovations: Every Home, Every Citizen At the same time, we are continuing to enhance existing homes across campus. Renovations to the Derek, Meadows, and Anderson Homes are already complete, with the Follett Home currently underway and more to follow.

These updates include refreshed kitchens and bathrooms, new furnishings, expanded living areas, and modern systems to improve comfort and reliability. Backup generators are also being installed throughout campus to ensure safety and continuity for every Citizen.

Fun+Fit Park: Joy Is Coming Looking ahead, the Fun+Fit Park and Recreation Area will bring even more opportunities for connection and joy. This accessible outdoor space will include walking paths, swings, a putting green, and areas for play and

relaxation. All thoughtfully designed so every Citizen can enjoy and participate.

Looking Forward There is still work to be done, but the future is bright. Every gift, every prayer, and every act of support helps bring these plans to life. Together, we are building a stronger, more vibrant community. One where each Citizen is valued and supported.

If you would like to be part of this journey, please contact **Taylor O'Neill**, Chief Development Officer, at 281-375-2110 or Advancement@BrookwoodCommunity.org.

The A-Team Cultivates Meaning Through Dedicated Volunteer Service

Since 2020, a dedicated group of volunteers known as **The A-Team** has been making a lasting difference at The Brookwood Community. With more than 600 hours of service in Horticulture, their commitment reflects the very heart of what it means to serve with purpose and passion.

These three A-Team members are **Joan Cupic**, a retired nurse; **Brenda Meyer**, a retired educator; and **Sally Anderson**. They bring not only their time and talents, but also an unmistakable spirit of teamwork and joy. Their enthusiasm is especially evident in their strong connection with Horticulture Manager **Robert Grove**. They genuinely enjoy working alongside him and are always ready to lend a hand wherever it's needed, a testament to the positive and meaningful relationships that define Brookwood.

Whether braving the Texas heat or digging into hands-on projects, these remarkable women consistently show up with determination and heart. Their willingness to jump in, get their

hands dirty, and support the mission speaks volumes about their character and dedication.

The A-Team exemplifies the power of volunteerism and the impact of individuals who believe deeply in creating opportunities for adults with disabilities. Their service not only supports daily operations in Horticulture, but also helps carry forward the Brookwood legacy in a truly meaningful way.

We are incredibly grateful for The A-Team and the countless ways they continue to enrich life for Brookwood Citizens.

In Loving Memory

Dean Box

Dean Allan Box, 61, entered eternal life on November 29, 2025. A beloved Citizen for over 34 years at Brookwood, Dean found purpose and connection through his work—especially in the propagation workshop, where he helped grow poinsettias that brought joy to so many. Known as one of the best conversationalists on campus, Dean was a thoughtful and kind friend who loved his family, his faith, and time spent with others. His warm spirit and meaningful contributions touched countless lives and will be remembered with great affection.

Patrick Storti

Patrick Anthony Storti, 66, entered eternal life on January 15, 2026. For more than 26 years, Patrick called Brookwood home, where he lived a full and meaningful life. Most recently a member of the Finishing Studio and a resident of the Inn Home, Patrick was known across campus for his love of singing, joyful spirit, and great sense of humor. He cherished his family deeply and brought happiness to all who knew him, leaving a lasting impression on the Community Members who cared for him and the many friends he made along the way.

Full Court Fun: Citizens Score Big This March Madness!

March came alive at Brookwood as Citizens hit the court for an exciting season of **March Madness** fun! With four spirited teams—the **Rollers**, **Stars**, **Eagles**, and **All Stars**—there was no shortage of energy, teamwork, and plenty of friendly competition.

More than 40 Citizens took to the court, giving it their all in every game, and the excitement didn't stop there. Over 60 Citizens joined in by cheering from the sidelines, participating in drills, and encouraging their teammates every step of the way. The support from more than 30 Community Members made the experience even more special, creating a true sense of community and celebration.

One of the most memorable moments of the season was honoring Citizen **Bob Ryan**, who was inducted into the Hall of Fame for his long-standing participation and dedication. His love for the game and commitment over the years have made a lasting impact, inspiring fellow Citizens and teammates alike.

From buzzer-beaters to big smiles, this season was about more than just basketball. It was about friendship, perseverance, and the joy of being part of something bigger. We're already looking forward to next year's tip-off!

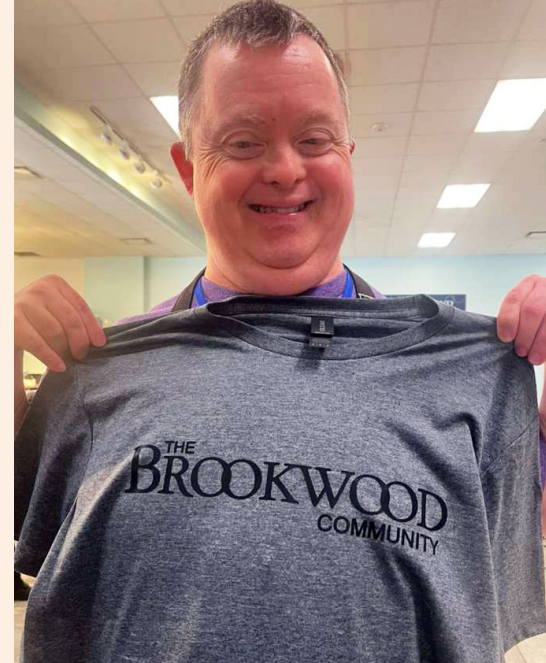

Grand Parkway Design Studio: Where Growth and Creativity Flourish

The **Grand Parkway Design Studio** continues to thrive as a place where purpose and creativity come together. Currently the workspace for 22 Day Citizens, the studio is filled with energy as each individual contributes their unique talents. Located within the **Grand Parkway Gallery Furniture** store, this unique space continues to foster growth, collaboration, and opportunity.

Citizen **Cliff** is building new skills and confidence as he learns to heat press Brookwood logo t-shirts. With focus and

determination, he carefully aligns each design and proudly watches it come to life. Cliff's dedication to mastering this process not only supports meaningful work but also reflects the purpose and pride seen in every item created at The Brookwood Community.

Supporting their work are dedicated team members, including **Kimberly Hudson**, the newest Community Member serving as Shop Assistant, and **Jasmine Hernandez**, who has provided additional support over the past two months.

The Woodlands Design Studio: Purpose in Every Stitch, Sparkle, and Scent

Tucked inside the Special Needs Building at **The Woodlands Methodist Church**, something extraordinary is happening. **The Woodlands Design Studio** is buzzing with purpose, creativity, and the joyful energy of Citizens who love what they do.

This space is more than just a studio. It's a hub of meaningful work where gifts are crafted, friendships are nurtured, and every day brings new opportunities to shine.

One shining example is Citizen **Sebastian**, who recently learned how to bead lanyards using a template. His accomplishment is a wonderful reminder

of how new opportunities lead to growth, independence, and joy in the workplace.

Up to 12 talented Citizens are hard at work creating beautiful, handcrafted jewelry and other specialty items. They pour candles, embroider detailed designs, and create clay beaded bracelets and beautiful trinket dishes.

These handcrafted items are available for purchase at The Gift & Garden Center as well as online at www.BrookwoodCommunity.org. Each piece reflects dedication to learning and growing new skills.

Believe to Achieve Design Studio: Building Confidence, One Skill at a Time

At the **Believe to Achieve Design Studio**, Citizens are encouraged to grow, learn, and build confidence in a supportive environment. As a specialty "bridge" shop, the studio helps Citizens develop the skills needed to succeed in other areas across campus.

With up to 19 Citizens participating, the studio stays busy with meaningful work like making and packaging fudge, peeling crayons, assembling prayer cards, preparing dog treats, and creating bracelet tags. Each task strengthens independence and teamwork.

Citizen **Jon B.**, a prolific author, has embraced new challenges, transitioning from working solely on his typewriter to actively participating in training jobs and production, like learning how to screw wingnuts onto bolts. His progress is a wonderful example of growth in action.

A special thank you to **H-E-B** for their tremendous support during fudge season. Their partnership helps make this important work possible.

At Believe to Achieve, every step forward is a step toward greater independence.

Come See Citizens in Action: Take a Tour

Discover all that Brookwood has to offer through a docent-led tour that brings our mission to life. Step inside the beautiful Worship Center, explore Citizen enterprises like ceramics, stone casting, and horticulture, and witness the pride Citizens take in their work each day. Every stop along the way reflects purpose, creativity, and community.

After your tour, enjoy a delicious meal at The Brookwood Café, then take time to shop at The Gift & Garden Center for unique, handcrafted items.

You will leave not only with a deeper understanding of Brookwood's mission, but also with a renewed appreciation for the abilities, talents, and contributions of each Citizen. Reserve your tour by contacting **Joanne Clark**, Tour Coordinator, at 281-375-2100 or by email at Tours@BrookwoodCommunity.org.

Find Meaningful Work at Brookwood

At Brookwood work is more than a job—it's a purpose-driven calling. Join a team where you serve alongside Citizens as they live full and dignified lives, while discovering a deeper sense of meaning in your own. Explore opportunities at www.BrookwoodCommunity.org/Careers.

Celebrating 30 Years

A Recipe, A Mission, A Legacy: Mesibov Dressing Turns 30

What began with a simple salad at a dinner honoring **Dr. Gary Mesibov** has grown into one of Brookwood's most beloved products. After the opening of the Tea Room in 1996 and The Brookwood Café in 2001, this now-famous dressing made its way to the Café—quickly becoming a guest favorite. In the early days, each bottle was filled by hand using a pitcher and funnel, a humble start to something extraordinary.

As demand grew, so did opportunity. In April 2008, the **Paul Newman Foundation** provided a grant for bottling equipment, helping transform Mesibov Dressing into a thriving enterprise. Each bottle represents meaningful work and purpose.

As we celebrate 30 years, **Mesibov Dressing** continues to be packaged by Citizen artisans and enjoyed by supporters near and far. Every purchase from www.BrookwoodStore.org, in the Gift Shop, or Café helps create opportunities that empower Citizens.

Host Unforgettable Gatherings at The Café

Searching for a warm and inviting space for your next celebration? The Brookwood Café features a charming private dining room that accommodates up to 25 guests—perfect for graduation parties, baby or wedding showers, anniversaries, and professional gatherings.
