TEACCH TRAINING

Deepening Understanding of Autism & the TEACCH Framework

June 16–18, 2026 • 9:00 AM – 4:00 PM Daily • Brookshire, Texas

WHAT IS TEACCH?

TEACCH (Treatment and Education of Autistic and Related Communication Handicapped Children) is a nationally recognized framework developed at the University of North Carolina. It uses **visually structured instruction** to reduce anxiety, build independence, and set individuals with neurodiversity up for success — in the classroom, the workplace, at home, and socially.
