## A Note from Greg Hubert, CEO

*"Behold, how good and how pleasant it is  
when people dwell together in unity!"*

— Psalm 133:1

**Dear Brookwood Families and Friends,**

Every year, Family Day reminds me of something I never want us to forget: Brookwood is not a campus. It is a family—one bound together by faith, purpose, and an unwavering belief in the God-given worth of every adult with disabilities. On May 9, our Citizens, families, Community Members, volunteers, and friends gathered as one, celebrating the joy of being together and the extraordinary things God does when His people move in the same direction.

Let me tell you why that day meant so much to me personally.

At Family Day, I shared a video that Gina and I will treasure for the rest of our lives—our son Tyler riding a three-wheeled bicycle for the very first time. After months of riding a quad side-by-side bike with his brother, he climbed onto that three-wheeler and simply rode. Tyler's smile, and the joy it stirred in our hearts, is a picture of what God is doing here: transforming the lives of our Citizens and everyone who witnesses how Brookwood is changing the way the world thinks about adults with disabilities.

That story reflects the joy Brookwood exists to multiply. Every day, we witness "first rides"—a first job, a first friendship, a first moment of belonging, a first glimpse of purpose. God designed each Citizen with unique abilities, and there is nothing more sacred than seeing those abilities come alive.

One of the most inspiring moments of Family Day was honoring the top 25 *I Believe in Brookwood* Citizen fundraising teams. Together, these remarkable teams helped raise more than \$2 million during our 2025 campaign—a milestone reflecting the generosity and shared belief of thousands who have invested in this mission.

But that number is not really about dollars. It is a testimony of lives being changed and of a community that continues believing in the dignity, purpose, and God-given potential of every Citizen we serve.

**CEO Greg Hubert at Family Day with the new handbell ensemble, "The Brookwood Ringers."**

As we prepare for this year's *I Believe in Brookwood* campaign, beginning September 1, we do so anchored in our 2026 priorities—our **SOW**:

- **Steward our People.** We will continue investing in the Citizens and Community Members who bring this mission to life by developing leaders and strengthening our community.
- **Optimize our Operations.** We will strengthen the systems and enterprises that make meaningful work possible, ensuring Brookwood remains strong for generations to come.
- **Wisdom for Tomorrow.** We will seek God's direction through prayerful planning, faithful leadership, and a long-term vision that prepares us for the future while preserving the values that have always defined us.

This is the heartbeat of our year: **In God we SOW. In Trust we Grow.** As Proverbs 3:5–6 reminds us, we lean not on our own understanding but trust the Lord to make our paths straight.

Family Day reminds me that no one carries this mission alone. Every prayer, volunteer hour, gift, and encouraging word becomes part of something far greater than any one of us. Together, we are building a future where more adults with disabilities experience lives filled with purpose, meaningful work, lasting relationships, and the love of Christ.

Thank you for believing in Brookwood. Thank you for riding this road alongside us. I cannot wait to see what God will accomplish through all of us as we begin another *I Believe in Brookwood* journey this September.

With a grateful heart,

## A SUPER Family Day to Remember!

Brookwood welcomed Citizens, families, and friends for an action-packed **Family Day** inspired by the theme “**Heroes with a Purpose.**”

**CEO Greg Hubert** introduced the debut performance of **The Brookwood Ringers**, Brookwood’s newest handbell group. They did an amazing job during their first performance! The Brookwood Ringers join the long-standing **Brookwood Handbell Ensemble** in sharing beautiful music and changing the way the world thinks about adults with disabilities.

**The Lost Boys** 80’s Band returned to provide hours of live music,

once again generously donating their time and talents to entertain Citizens and guests. **Chef Smirnov Catering** created custom gourmet super hero cookies, and topped off the day with a delightful ice cream trolley.

Brookwood favorites, **Multiverse Causeplay Organization**, arrived in full superhero mode, bringing excitement, smiles, and heroic fun to Citizens and guests!

From a petting zoo and photo booth to an art center, face painting, glitter hairstyles, games, and more, the day was filled with laughter, connection, and plenty of superhero excitement. Thank you to everyone who helped make this SUPER Family Day so memorable!

## A New Chapter of Purpose: Missionary Retreat Shop Opens

The Brookwood Community recently celebrated the ribbon-cutting of the **Missionary Retreat Shop**, where 13 Citizens each morning and 14 each afternoon continue meaningful work at a comfortable pace. During the ceremony, Citizen **Bill Overstreet** prayed over the new space and cut the ribbon, officially opening the shop.

Citizens support Brookwood by tagging pots, stamping poinsettia sleeves, and completing special

projects. Citizens also create cards for fellow Citizens and are developing partnerships with **Star of Hope Mission** and **Royal ISD**.

Faith remains central to the shop, where Citizens maintain a weekly prayer chart and pray for each request daily. Through meaningful work, prayer, and service, the Missionary Retreat Shop creates new opportunities to share purpose and encouragement throughout the greater community.

# Paying It Forward: Making Brookwood Shine!

We are grateful to **Katy Brothers Pressure Washing** for choosing to “pay it forward” at Brookwood!

Their team recently volunteered their time and donated their professional services to pressure wash the area in front of **The Brookwood Café** and **The Gift & Garden Center**. To ensure their work did not disrupt guests who dine and shop with us, the team generously completed the project during the evening.

The results are fantastic! Their hard work made an immediate and noticeable difference, creating a fresh and welcoming entrance for Citizens, families, guests, and visitors.

We sincerely appreciate their professionalism, generosity, and willingness to serve. Thank you, Katy Brothers Pressure Washing, for paying it forward and making Brookwood shine! Follow them on Facebook @KatyBrothersPressureWashing.

## Bank OZK Brings a Spirit of Service to Spring Extravaganza

The room lit up when volunteers from **Bank OZK** arrived at Brookwood for **Spring Extravaganza**! It was the group's first time volunteering at Brookwood, and they quickly made a wonderful impression on Citizens, guests, and staff.

The Bank OZK team generously served from 10:00am–2:00pm at **The Brookwood Café**, helping welcome guests and support the Café team during one of our busiest spring events. Their enthusiasm, kindness, and willingness to jump in wherever needed did not go

unnoticed—they received many compliments from both customers and staff!

We are incredibly grateful to Bank OZK for choosing to pay it forward by sharing their time and talents with our community. We hope this was the first of many visits!

Want to join the fun? Our next big event at The Brookwood Café and The Gift & Garden Center is **Fall Fest**, happening **September 10–12, 2026**. Mark your calendar for three festive days of shopping, dining, Citizen-made products, seasonal plants, and plenty of fall fun!

## Brewing Up Community at Humble Grounds

**Humble Grounds Coffeehouse**, a locally owned coffee shop and eatery in Fulshear, recently dedicated a day of coffee-sale proceeds to Brookwood. **The 5th Annual Disability Awareness Event** is a significant day aimed at promoting disability awareness and inclusion. Several participating vendors also generously contributed to Brookwood.

Citizens and team members joined local residents and civic leaders for coffee, breakfast, and meaningful connection—all while raising awareness for adults with disabilities.

Thank you to owners **Becca and Garrett Speed**, the Humble Grounds team, participating vendors, and everyone who supported this special day! Your generosity proves that something as simple as sharing a cup of coffee can help change the way the world thinks about adults with disabilities.

Follow Humble Grounds on Facebook @HumbleGroundsCoffee.

# I Believe in BROOKWOOD

## A Historic Finish: Two Teams Tie for First Place!

The **2025 I Believe in Brookwood** fundraising campaign made history with an incredible finish. For the first time ever, **two Citizen fundraising teams tied for first place**, each raising an amazing **\$162,700** in support of Brookwood's mission.

Congratulations to **Team Kyndall Krippner** and **Team Frank Tucker** for this extraordinary achievement! Their success reflects not only the dedication of Kyndall and Frank, but also the generosity and commitment of their families, friends, volunteers, and supporters who rallied behind them throughout the campaign.

Every dollar raised helps provide meaningful work, educational opportunities, healthcare, and a vibrant community where Brookwood Citizens can live lives filled with purpose, dignity, and joy. The impact of these fundraising teams extends far beyond the numbers; it changes lives every day.

We extend our heartfelt congratulations to Kyndall, Frank, and everyone who contributed to their remarkable success. Thank you for making Brookwood history and for demonstrating what can be accomplished when a community comes together in support of our Citizens.

As we look ahead to the **2026 I Believe in Brookwood** campaign, we invite new individuals, families, and businesses to join the effort by partnering with a Brookwood Citizen and helping build another year of life-changing support. Together, we can continue creating opportunities for every Citizen to thrive.

## I Believe in Brookwood: By the Numbers!

Since the annual **Golf Marathon** began in 1982, these remarkable teams have collectively raised this extraordinary total through decades of dedicated fundraising for **I Believe in Brookwood**. Thank you to these fundraising teams for their outstanding dedication to Brookwood!

# Sharing The Brookwood Way® With the World

God has entrusted Brookwood with a unique calling, and we take seriously our responsibility to steward it well. As Scripture reminds us, *"To whom much is given, much will be required"* (Luke 12:48).

**The Center for Learning** strengthens **The Brookwood Community** while sharing the culture, methodologies, and best practices God has taught us with others serving adults with disabilities.

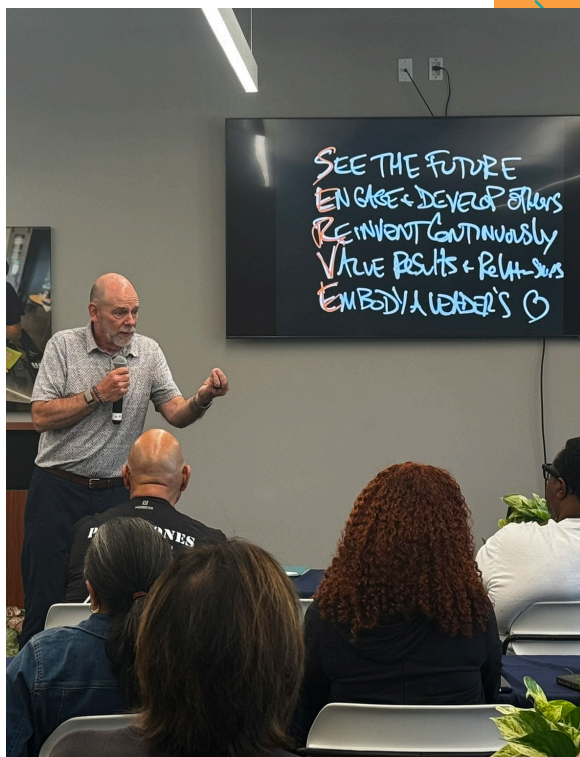

In April, representatives from 34 organizations attended **The Brookwood Way Conference**, bringing the total number of organizations that have learned alongside us to nearly 500.

Longtime Brookwood supporter **Mark Miller** generously donated his time and decades of leadership expertise as our keynote speaker. A Wall Street Journal best-selling author and co-founder of Lead Every Day, Mark spent 45 years at Chick-fil-A, rising from an hourly team member to vice president of High-Performance Leadership. His willingness to invest in Brookwood and challenge attendees to think bigger made his participation especially meaningful.

In June, 50 participants attended **TEACCH Training Workshops**, gaining practical tools to bring greater structure, independence, and dignity to individuals with autism and developmental disabilities. We are grateful to the **Gorman Family Foundation** for generously underwriting this training.

These experiences equip people to leave Brookwood with practical knowledge and a plan for action. The Center for Learning also helps sustain Brookwood's culture through customized guidance, ongoing support, and professional development. Learn more at [www.BrookwoodCommunity.org/Center-for-Learning](http://www.BrookwoodCommunity.org/Center-for-Learning).

We are seeking partners to sponsor conferences, provide scholarships for Community Builders, and underwrite training for Brookwood Community Members. ## Brookwood Citizen Art Auction & Gala Returns in 2027

We are delighted to announce the return of **Brookwood's Citizen Art Auction & Gala** on **Wednesday, March 24, 2027**, at **The Post Oak Hotel**. Following the incredible success of our inaugural gala, Citizens, families, and supporters enthusiastically requested the return of this inspiring event.

The gala celebrates the remarkable talents of Brookwood Citizens as they partner with local and national artists to create one-of-a-kind works of art. Each signature piece tells a unique story from the heart and will be available exclusively during the event's live and silent auctions.

Guests will have many opportunities to take part as sponsors, donors, auction contributors, or artistic partners who collaborate with a Citizen to create a signature piece. We are grateful to our 2027 Co-Chairs, **Keni and Chase Fondren** and **Meg and Ford Jones**, for leading this special evening.

Event details and participation opportunities will be announced in August. Be sure to follow Brookwood on social media for behind-the-scenes photos and stories as these extraordinary works of art come to life.

We hope to see you there! For questions, please contact **Aimee Pickett** at [AimeeP@BrookwoodCommunity.org](mailto:AimeeP@BrookwoodCommunity.org).

## In Loving Memory

### Garrett Gillis

**Garrett John Gillis**, 48, entered eternal life on May 25, 2026. Born on December 2, 1977, Garrett was one of the first Citizens to help open the Brookwood Woodlands Design Studio, where he spent six years developing meaningful job skills and forming lasting friendships. He especially enjoyed packaging finished products, including candles, and was looking forward to becoming a full-time resident in the Tucker Home.

Garrett loved his family, country music, outdoor adventures, fast car rides, his service dog, Nala, and Diet Coke. His gentle spirit, warm presence, and meaningful contributions brought joy to many and will be remembered with great affection.

# Raise a Glass to Brookwood at Katy Wine Fest

The **Katy Wine Fest** is an annual celebration hosted by the **Brazos River Rotary Club**, serving the greater Katy/Fulshear and west Houston communities. Together, its dedicated members continue a proud tradition of service as they prepare to celebrate the 21st anniversary of Katy Wine Fest.

Since 2013, this generous group has raised more than **\$280,000** to

support the **Center for Learning** at The Brookwood Community. What began as a twice-annual conference has grown into a far-reaching mission that provides education, mentorship, and practical tools to help organizations build communities rooted in dignity, purpose, and belonging for adults with disabilities.

Citizens will complete 5- and 10-mile rides on **Saturday, Oct. 17**, followed by an impressive 15- to 20-mile ride on **Saturday, Oct. 24**. Together, they are working toward a **\$70,000** fundraising goal benefiting the **I Believe in Brookwood** fund.

You can help make every mile meaningful by sponsoring a Citizen rider or the Brookwood Cheer Team, volunteering at a snack or

water station, becoming a corporate partner, or making a special donation toward new adaptive bicycles. **Donations of \$1,000 or more received by Sept. 15 will be recognized on this year's official Bike for Brookwood shirts.** For sponsorships, please contact **Aimee Pickett** at [AimeeP@BrookwoodCommunity.org](mailto:AimeeP@BrookwoodCommunity.org).
